Happenings at the Herington Public Library:

Repair Work: Extra care should be taken when visiting the library as repairs are being made to the outside masonry. Some painting also will be completed. Watch out for scaffolding and other tools being used to upgrade the library. It will be posted if an alternate door should be used.

Story Time: Fall Story Time is currently being conducted each Thursday morning at 9 a.m. The theme is "We love Our Pets." There has already been a visit from a pony and a puppy dog puppet. Each week, there are stories, crafts and snacks following the pet theme.

(Due to Miss Susan's crazy schedule, there will not be Story Time on Sept. 28 and the next week, it will be held Wednesday, Oct. 4, instead of Oct. 5 at 9 a.m.)

On Oct. 26, the Story Time children will go on a Halloween Walk downtown to display their costumes. Of course, treats are welcome. Any business wanting the children to stop by may call the library at 785-258-2011.

People's Choice Award: Caleb Wright won the People's Choice award for the library patrons' favorite Lego on display in the glass case. Plans are being made for another Lego building event for youngsters.

Interest has been expressed in having a adult Lego building event. Please contact the library if this is of interest indicating a best day or evening of the week. At least six participants are needed before this will be scheduled.

Book Discussion Group - The book group meets on the first Monday of the month at 7 p.m. at the library. Anyone is welcome to come join in even for those reading part, all or none of the book.

Kansas Notable Books: The State Library of Kansas is pleased to announce the 12th annual selection of Kansas Notable Books. The fifteen books feature quality titles with wide public appeal, either written by Kansans or about a Kansas-related topic. The Kansas Notable Book List highlights our lively contemporary writing community and encourages readers to enjoy some of the best writing of the authors among us.

The Herington Public Library has some of the notable books on display on the table in front of the check out computer.

Book Sale: The staff has been busy weeding out the adult fiction books. The books that are pulled go on the sale shelf. All items on these shelves are only 25 cents a piece or \$1 a bag. (The library even provides the bag.)

Mission of the Library: The Mission of the Library follows. If anyone believes the mission is not being achieved, please contact the library director or member of the board of directors.

The mission of the Herington Public Library is to provide library resources and services necessary to the educational, recreational, and informational needs of the public. Materials are selected and services are planned to satisfy the needs of individuals or groups within the community. The library not only looks to present needs but also to future needs. It also will attempt to satisfy the needs of the community for both traditional and non-traditional users of the library. It is important that every member of the community have free access to the world of ideas, information, and creative experience.

Meet the information needs of the community.

Meet the recreational needs of the community.

Supplement formal and informal study.

Reflect a variety of opinions on a subject.

Support economic, cultural, recreation, and civic activities in the community.

Stimulate self-understanding and growth

Enhance job-related knowledge and skills.

Increase knowledge of and participation in the affairs of the community, the state, the country, and the world.
