## LIBRARY Events

Spring Story Time began March 26 with a puppet show about the Three Bears. At the first session of April, a baby lamb visited the library.

Story time will continue through May 14, meeting each week at 9 a.m. in the basement. Fairy Tale Fun is the theme.

In the Summer Library Program, youth will be "digging" into the theme of Unearth a Story for all ages. Adults are always welcome. It begins May 28.

Plans are being made for a Dinosaur Day, dirt painting, unearthing items with a metal detector and worm races, just to name a few of the activities. Free and fun sessions will be held at 9 and 10 a.m.

The library is in the process of getting text messages set up to notify patrons.

The texts or emails will send a notification when a Hold is fulfilled, reminder of a Hold, advance notice, or when an item is due.

Please let the librarians know if you would rather receive a text, email or both, so staff can make sure to have the correct information on each account.
